PRIVACY POLICY

The team that organise ExieFest are committed to the principles of the General Data Protection Regulation (GDPR) and we recognise the correct and lawful treatment of your personal information.

We will only ever obtain information from you that is fit for the purpose of organising our events and which does not constitute an invasion of your privacy.

Everyone has rights with regard to the way that their personal information is handled.

You are entitled to know what information ExieFest holds about you and to have it corrected if inaccurate or complete.

You have the right to request the removal of your personal information where there is no legitimate reason for us to continue to hold it.

You also have the right to restrict the use of your information in certain circumstances.

In the first instance, requests with regards to your personal information should be made to by email to:- exiefest@gmail.com.

EXIEFEST SHOWS & EVENTS

Information from entry forms will be stored securely and the names of exhibitors & owners and details of entries will be published in the public show catalogue.

In some instances, your region may also be published – such as the stallion parade, where the location of a stallion would be significant to mare owners when selecting a stallion.

Photographs and videos will be used by ExieFest for spectator videos and may also be used for promotional purposes. Should you not wish for your submissions to be included please email exiefest@gmail.com.

Results information, including photographs & video footage, may be published by ExieFest on any of our online platforms as well as to the press and associated organisations.

EMBEDDED CONTENT FROM OTHER WEBSITES

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.
